First we have the Holocaust Denial Being Illegal in Sixteen Different Countries, Then We also have anyone who is Anti Israel or Anti Zionist to be Arrested and or Targeted By Their Own Federal Government Freemasons ... ;
Not only is Gang Stalking a Freemason Government Sheriff's Department Phenomenon it is a Zionist Israeli Phenomenon, Proponents of Anti Israel and Anti Zionism are clearly Targeted in our society by Gang Stalking or Organized Stalking same applies to Holocaust Deniers, they may also end up targeted by The Freemasons and Sheriff's Departments, then you have Whistleblowers RITE AID does not Recycle Types or anything exposing the Fraud of Big Pharma John Virapen, again this is not new, then 911 Truthers saying The Mossad Sunk the USS Liberty and did 911, then you have your David Irvings, Eustess Mullins, David Dukes, Alfred Shaefers, Brother Nathanaels, Adam Green of Know More News these are very much Targeted by our Government Zionist Mafia System ... ;
There are new Noahide Laws, New BDS Laws, BDSmovement, then they started on VC Sympathizers now they your Freemason Government Mafia goes after Anti Zionists and Anti Israeli Proponents, we have all heard that Radical Zionist Jews were the first to open America's Borders and bring illegals in, we have all heard that Communism is Jewish and Marx was a Jew, and that Hitler actually got Germany out of a Bank Debt and saved Western Europe from Communism, something much worse started by Marx and other Radical Communists, your Schools fed you the Victor Version of History, then when you moved

to adulthood you realized you were lied to by Six Jewish Media Companies GE, VIACOM, Time Warner, Newscorp, CBS, Disney, and You go from Gnosis-Kundalini or yourselfwithin and get the real truth that The Victor History is all lies, you have Earnst Zundel's Seventh Million to tell you otherwise that you were lied to by your Public Schools and Mainstream Jewish Media ... ; It is an Anti White Agenda, it is about Perversion, Degeneracy, Pnography, Smut, Garbage, Rewriting History, Erasing History, BLM, Antifa, SJWS, Democrats, those things are part of the real actual Communist Jewish Zionist Despotic Agenda, who gave us illegal aliens, Open Borders, a bunch of Garbage in our society and if you dare mention it you are a Bigot, that is their only choice of words if you say it is an Anti White Agenda you get called Bigot as they are Liberal C*mmies aka Democrats who believe Climate Change And Global Warming is Man Made, I am not partisan and an Atheist so I the rarefied company actually get it, Nirvgorilla even kept telling me that Global Warming and Climate Change was Man Made and not a Hoax so I came to the Conclusion he was a crybaby, SJW, C*mmie, AntiFA, BLM, Democrat, Liberal, Climate Change Greenie and someone who I will ignore, and again I am Anti Israel, Anti Zionist and I Never Said I was partisan left or right and I am an Atheist Period. Just ignore these t**ds, that is all you have to do, ignore them, they are Narcissists, Pests, Brainwashed Lemmings, Jocks, Idiots, They actually suck at research, All they do is pull up PDF Files that They agree with and that is all they do, it is talking points, that is all it is, Both Democrats Republicans are a Zionist Waste of time Started by International Jews to dupe you for more votes ... ; There is no Crisis with Israel or Palestine, F*** Israel, Israel AND Palestine are Cursed, the News is a PSYOP, they have been fighting over that land for thousands of years, Zionism is a useless idea also, Judaism is a dumb Globalist Cult, Cohens are the One Percent, they have Six Travel Passports, Jew Only Country Clubs, Big Mansions in parts of the world, we all get it by now, the Holocaust is a Hoax, Hitler was right, Hitler Saved Germany From Communism and got it out of a Banking debt, Germany was turned to a Power House by Hitler, your history**

is fake and all lies, America is a French Corporation British Crown Colony and your Public Schools are only there to indoctrinate you with cr*p and BS, so were are we even going with this, your Religions are a Zionist Jew Control

Cult by International Talmudic Jews, Not all Jews are bad, just that one percent
called the Globalists who read this book called the Talmud, Torah, Zohar, those
people have all the money in Trillions of Dollars, called Cohens, who live in big Mansions, have More than Seven Travel Passports, are completely different
than us and run the Freemasons at the Bottom of the Pyramid who are our Law Enforcement,
Freemasons, Police, Sheriff's Departments who take and steal from the Non Jew or Goyim,
they steal thousands from us non Jews, they tell the Freemasons to steal from the US
Citizens who will protest by saying I am an American National or whatever when only
they the Globalists and Freemasons can actually be sovereign since the Globalists
are the Jewish People with Six Travel Passports only here to say International Jews not Regular Middle Class and Poor Jews, just those Talmudic Globalists, the
one percent, that is who, and they take and take, Freemason Police steal from the
Goyim and get away with it every time so the only sovereign citizen is a COP or an
International Jew aka Talmudic Jew living in a Big Mansion with Trillions of Dollars and those people only are one percent of society on Earth, they tell the Freemasons what to do through this thing called Uniform Commercial Code of the
Government and it takes and steals land and property from Non Jews or Goyim not
only that it takes and steals from Jews and Non Jews so as to say the only people
exempt are Cohen Talmudic Jews who have Six Passports Trillions of Dollars, Country Clubbers who go to Jew Only Country Clubs and live in Big Mansions, we
are talking Trillions of Dollars not some billionaire, billionaires are middle managers.
Your slave drivers are Trillionaires and Talmudic Jews who use Bold Despotism we

refer to those Jews as International Jews, The Anti Semitic Trope does not apply when
you are only referring to people with Trillions of dollars who live in Big Mansions
as Talmudic Cohen Jews, that is my main point I am trying to convey in this drivel ... ;
How is Anti Zionism even Antisemitism when other Jews do not want Zionism? Also?
As for religions, they are cults, a waste of time, another Zionist Tool of the Cohens,
God is not real, Martians Started the God Myth, Humans Become Ghosts when they die, and
also it is so much to say that we have wasted a lot of time here on non issues ... ;

Ublock, Pbadger, Decentraleyes, HTTPSE, CanvasB, RYTD, that is what I do sma0140f4f0faba445a66 dns20867222222 and DuckDuckGo, also Startpage, Still on a Patriot Act WL, got a smear campaign going on me, family disowned me, becuase I do not believe in The Covid Vaccine, The Mask, and I believe Global Warming is not manmade, also Anti Zionist, Anti Israel, so I am Not Partisan either, Not a Democrat, Not a Republican, just a ramble in shambles, Not a Partisan in any way shape of form because America is still a British Crown Colony and a French Corporation of BS and PSYOPS, quote Rabbi Finklestein Tells All, Ovadia Yosef only p of a non j is to SJ, and you know the rest, Psychiatry Destroys Peoples Lives and makes people homeless, Psychiatry is Quackery, not a real science, it is a Pseudoscience Industry to sell Placebo Big Pharma Pills that have no science to them only opionions based on the DSM Committee and that is all, Freemasons Run Society, along with Talmudic Zionist Jews, Eustess Mullins, David Duke, Earnst Zundel, Brother Nathanael all have shown this and Adam Green of Know More News showed us Christianity is just another form of Jewish Zionism and a Mind Control cult so not new, and I am a Failure at everything and life a dud who gave up on the American Dream just to be put on a Patriot Act WL and be Stalked and Harassed by Freemasons in Sheriff's Departments and Law Enfocement, not only do they control The Press and Internet, They censor people by targeting them, they use something called Remote Viewing to Target, Stalk and Harass you, these people are all Freemasons in the Sheriff's Department and Law Enforcement, they do all the Human Trafficking and Smear Campains as well as the drug trafficking, so it is nothing new, Goyim are Cattle, they have no rights, no freedoms, we made those up and George Carlin-Bill Hicks were right, also Where is your freedom of Speech when you cannot deny the holocaust or critisize International Talmudic Jews or Israel, or Zionism, also where is your Fourth Amendment when Government people will break and enter Into

your home or parents home if your a failure, so you have no privacy, not only that there is mp4 after mp4 of authorities stealing property, vandalism by authorities, killing pets, all kinds of nefarious things done by corrupt law enforcement and there are mp4 files of it all on peoples solid state drives, Clouds on the internet, Bitchute, Odysee, Rumble, Archive, Altcensored, Ugetube,

Peoples Playstation Servers also have the evidence of Law Enforcement illegally

breaking entering vandalizing other Goyims Property and it has all been exposed,
so it is not new, George Washington was only there to overflow the Organic Constition
of the United States and Re Instate the Virginia Colony Crown Corporation and he
was merely a Politician, you brainwashed lemmings accept Global Warming and the
Holocaust Myth and the God Myth shows how brainwashed you peeps actually are And
when Humans Die they just become telepathic Ghosts so none of this is new period,
I will continue on, King James, The Act of 1871, Cestui Que Vie of 1666 AD, all of
you BW Lemmings were raised by the Failed Public School System you and your mommy
daddy issues shows it so much so, you're like any othe LOLCOW with Autism I know,

you ck slinging D*ngs on the CSMF S**t List are there to be exposed because this**

International Talmudic Trillianaire Globalist Jewish People who have Six Travel

It's just that simple, connect the dots, Jew Only Country Clubs, Columbus Ohio is the
big MKULTRA CIA zone, how do we get this in Central Texas Undergroung we have Uncle
Sam's Snuff Factory and Mr. Pickles Circus Katy Dylan Groves Karly Noel Franz you
see all these people exposed it, Rabbi Finklestein Tells All, James Wickstorm, then
the Whitney Webb Interview with Maria Farmer, all this stuff now is archived to

server after server then someone elses Playstation Home Server as Registrars are not
fair and Domain Hosts are just not Fair so we know a Home Server is Ten Times Better,
so is I2P, Tor, Peer To Peer, all ways to evade Zionist Talmudic Jew Censorship, everyone
now uses Arco Arch Linux, LUKS Drive Encryption, Tune2fs -O ^read-only ssdext4, NHSW,

The Kyle Odom Manifesto #flushyourmeds, My Struggle by Adolf Hitler is the White Mans Book,
Hitler was actually the good guy in History and your Victor Prussian Public School lied to you
about WWII and the Holocaust Myth, you see Hitler Got Germany of of a Banking Debt, that was his
only crime, to bring up Germany's economy, warn western Europe of Communism he saved west EU from

communism Karl Marx had Jewish Parents, David Duke and David Earning and Alfred Schaefer Exposed
This, and Ken O'Keefe is alse another man to expose this The Greatest Story Never Told look up

so with that I only use Gimp, Photoshop, Inkscape, Blender, My Web Browser, Archivetodayorgpermacc ... ;
So I am bound to end up in hell, the lake of fire, but for one thing, America and Europe have completely
different people, completely different afterlives, Women only want to be with a circumcised male in USA,
you see I committed a thought crime right there, and the EU places do not have compunctions, but now,
America is more Anti White so whites in general male or female are being persecuted like jesus as you
may know, get good security if you have to, this is MR AI Man or Mrfaildeveloper as you know me,
I remember ebaumsworld and motherless back in the 90's and JibJab when the internet was 256K and 56K,
and you know what, we were building, soldering, welding, more before this patriot act WL thing and
people were not all fat and shit, food was healthy and had real actual probiotics in it, now the crap
is all grown on round up ready seeds if you just ask the amish about it, it is all designed to kill you,
so Fermented Foods, Probiotics, Snake Juice, Snake Diet, Fasting, those things we do not practice anymore,
we use computers instead and kill ourselves with this eugenics technology, no everything requires A Degoogled

Hopefully Degoogled Andriod Cell Phone just to get on your bank to do 2FA to get into email and use things,
and we used to do all the banking and billings the old school way with Imp's hooked up to mainfraimes forget
subnet masking, the peeps did not want that, we later on started that, then came 911, the patriot act, Technocracy
then arose from the pits of hell with new IEEE Technologies and implementation of subnet masking as you know only
a tool to enslave mankind further and further into philosophical debt, you know who is exempt from forced 2fa,
the Zionist Talmudic Jews, if they loose a phone they have no problem with email or the bank because they are
better than the non jews on planet earth, they have six travel passports, get to eat at jew only country clubs,
live in big mansions with trillions of dollars, it is not Antisemitic to say that Trillionaires with Six Passports
who live in big mansions run Planet Earth along with the martians, they just want to play victim like the cry baby
Cohen SJWs that they are, not all jews are bad, just the trillionaires with six travel passports living in big
mansions with more assets than any other person on Earth, as George Carlin just refers to them as the RICH or
you could also call these Trillionaires or Talmudic Jews or peeps with six passports you could call them BIG
wealthy Business Interests aka GE, VIACOM, Time Warner, NewsCORP, CBS, Disney that is who, and Martians are
their friends and some of them are martians with PSI psychic Telepathic ABilities so you see it is Big wealthy
business Interests with Trillions of Dollars Talmudic Cohen Jews, not all jews are bad and this is not to be
construed with the Hollywood Antisemites you see on Bitchute or whatever website not those people but Trillionaires,
those are Big Wealthy Buisness Interests, Peeps with Six Travel Passports, Jew Only Country Clubs, those are the
main people pushing the Zionist agenda, many other jews with less money oppose Zionism and Talmudic Rule and are
mainly Atheists or Christians, so generalizing is simply a bad idea of bad optics, The Globalists are what Trillianaires,

More than six passports, Jew Only Country Clubs, International Talmudic Kohen Martian Jews, Private Islands, Big Huge,
Mansions, never get power outages becuase using the right stuff, Have property rights when others do not, and when a
Government calls someone a soverign citizen that is just another game that they play, only Governments can be Soverign,
you see in order for a globalist to be globalist more than Two Passports, Trillianaire, Business Interests, Property
Rights when everyone else has Property Priveleges, Talmudic International Cohen Jew, and lastly the Freemasons are HOS
at the bottom of this pyramid structure that the brainwashed Goyim or Brainwashed Lemmings fail to understand at all,
So now that we have typed all of this up, we made our point, I am a piece of work with back pain, I get it already,
you see were we have gone from here, you are so brainwashed you believe in an Imaginary God, A Zionist Jew Cult Called
Christianity, A Government with a Fake Two Party System, A TV and Radio Controlled by Six Jewish Companies, lastly my :

The WL = Freemasons, Sheriff's Dept, MK-ULTRA, COINTELPRO, Monarch, Artichoke, Law Enforcement, Patriot Act, Sub-net Masking,
That is what the Watch-list is, When your on a Government WL,
you are Stalked and Harassed, Narcissist will be Passive Aggressive, Scapegoat you all the time, Scapegoat you more if you have a mental illness, when psychiatry is not a real science and neurology is,
So since there is a Smear Campaign on you, B-wall it, B-line it, plead the fifth, say no, Be a Security Role Player, others on the list are being used in Human Trafficking, if you are on the Government List
you are considered, a DUD, a Bottom-feeder, a LOLCOW, a Laughingstock,

The Scum of the Earth, Mentally Ill, a Drug Dealer, Substance Abuser, any kind of thing on the list of bad things, debt, miss-managed funds, all those things are used on you as a Smear Campaign as Narcissist have something personal against you, your sheriff's Departments, Corrupt Law Enforcement, not generalizing here, not all are bad and Freemasons, But anyways the slang Term Gang Stalking has nothing to do with Gangs, it is Organized Stalking and Organized Harassment and goes to the target 247365, Directed Energy Weapons, Telepathy, Remote Viewing, Voice To Skull,

all to destabilize or Zersetzung the Targeted Individual which is just a degrading term that no one should identify as, as most people will look at this as sever mental illness, because most people are brainwashed by TV, Movies, Hollywood, Sports, Music, Pop Culture and Six Companies ... ; So it is what it is, you are finished in this sort of way, if you are on the list which anyone can be on the list even the homeless, then you Are as an example the One-man in The Truman Show and it is what it is some drivel,

Being on Social Security sets you up as a bigger burden to society just as being labeled mentally ill or Schizo-affective is another thing to go with it, and most people will scapegoat you anyways, just get used to it, ignore it, this only applies to people put on The Patriot Act Watch list or Zersetzung, The Lives of Others is a Example movie of this which you can download ... ; I'll just have to say, Not Accepted in Society, Societal Reject, Usurious, Contribute Nothing to society, my life has no purpose, waste of an existence, etc etc etc, then that is what they say all hours of the day via voice to skull technology and I'm not even sure if Humans become ghosts when they die, so this

kind of Voice To Skull Technology can trick anyone into believing anything. Sheriff's Departments, Freemasons, Government, Law Enforcement are clearly

the Perpetrators of Steroid Trafficking and Organized Stalking or by its slang term Gang Stalking which has nothing to do with Gangs is mainly Group Stalking.

Scott Alan Barry is an Atheist Holocaust Denier Dunce … ;
LUKS, SWAP IS NHEXT4, Always ON, No Screensaver, RUPW is Same passwd, all ports are closed on nmap -Pn -O localhsot, BIOS PW Same, Single core to be eco and green, M93P, Bios Settings all of it turned off, Bios Battery is on the last days and recharges when power is connected, Removed all the dust bunnies and internal speaker, DNS20867222222, SMA0140faba44f45a66ff, Tor in Brave, Tails, Tor Browser, Free VPN, Root And User Passwords are set by passwd command, Same as LUKS, And BIOS Password, Ublock, Pbadger, Decentraleyes, HTTPSE, CanvasB, RYTD, Brave and S*ty Firefox for Business Inquire Use Only, Pay my Bills,**
Pay Taxes on Separate Windows System with Quicken and other software, Veracrypt, 7zip has that built in AES stuff, Alien Chars and One-T-Pads, Tilde is six (on) YES "~" >/dev/szz , fdisk -l, all of those commands JW, Still a noob on some things, cannot drive a car or use machinery as much, I blame my brain damage and Psychiatric Drugs for all of my problems, I take these s*ty Anti Psychotics as they poison me for the NWO System, I already realize Microwaves, Sunglasses, Sunscreen are all unhealthy habits, The Bulgarians and Amish all fast on snake juice and ferment all of their Probiotic foods so they never get sick and even the Ghosts told be about it, The CIA and Mossad and FBI are censoring all this and keeping it secret, you have heard of Negative Resistors, Free Energy, Over-unity, Saline Earth Batteries,**
Amazing1DotCom has all the Directed Energy Weapons used by Freemasons, Forget the mess, just go to mouser and get yourself a Powerful negative resistor,
You can even do it as a simple Negative Resistor Conductive Rubber will do it,
Copper Aluminum, Conductive Rubber, this is used by Talmudic Jews and kept
away from the Slave Gentile Non Jews Or Goyim who only rent their property,
as Rabbi Finklestein and Ovadia Yosef has said, Goyim are Brainwashed suckers,
Crystal Batteries, Solid State Drives, All Suppressed Martian Technology and yes
I am that mentally ill, A Holocaust Denier Also, Non Partisan Also, Masks do not

work, Vaccines do not work, Flush Your Meds, Psychiatry is Poison, so anyways,
Two Torriod Coils, just like a crystal radio exept above common AM Radio Band
is Naturally Occuring Schumann Resonances, Ultra Deep Fields form our Galaxies
can be turned into Free Electricity Two Torroids, A Microwave Diode, Antenna,
A Ground, More windings than a regular Crystal radio Multiple torroids maybe,
then you get what is called the Vaccuum, God Power, Nine Six Three, The Ether
where life exists in parts of space in other galaxies as well, and when you zoom out
off the galaxies in that Ultra Deep Field picture that is Two Hundred Megabytes
you get another Red Sun that is part of more galaxies, thus showing everything
already exists, the most delusional thought ever, and Infinite Galaxy Theory to
be a possibility that others have seen when taking certain psychedelics such as Yohimbe bark or just altering your brainwaves and autonomic NS just right,
Mind War is a paper written by Michael Aquino a Corrupt man, but it has a lot of truths in it, I recommend get the PDF instead of the Physical Book.
Even a Simple Solar Panel or Battery is a DIODE, hook a VCC+ from a Kernel
of 50 or so Composite Scatter so it's loud in Audacity and you will get Free Electricity at 12Volts and Several Amps from on single MP3 Kernel Thing, I knew
the Unabomber was going to hook a step up transformer to a joule theif from two
ignition coils, then to multiple AC Multipliers the ones were Diodes go zig-zag in between the Ceramic Capacitors then the blasting caps for Total Anarchy … ;
All Blasting Caps are Hooked in Parallel not Series, I had a lamer tell me that, if
they were hooked in Series one Blasting cap would fail and it would be a DUD … ;

Then to the Hydrogen-AND-Oxygen, Titanium Plating, to the VX Nerve Agent and Eukaryotic Bio Weapons, for no survivors to come, ending all life as we know it like rage … ;
This one is a little inappropriate so I cannot put it on Pastebin, so anyways you have,
The Kyle Odom Manifesto, The Protocols of the Learned Elders of Zion …. ;
In my teens I had a substance abuse problem I can admit to that at least … ;
I got so fed up with life I just wanted a damn spinal tap from Psychiatry, then I
realized I was completely wrong about psychiatry, so I did more research and realized
they torture and abuse the mentally and Group Home are just Human Trafficking,
I thought I was gonna be put to sleep or erased or degassed or whatever, I was wrong,
I did not know I would be force medicated, Have permanent Brain Damage and Side
effects, Anti Psychotics are crap, and Non Scientific, Quackery, Bogus Science, I went
postal and ruined my life doing so, The Hospital provoked me to destabilize me again
so I would later end up in the hospital again as another human Experimentee for MKULTRA, then I realized the Organized Stalking or Gang Stalking was ran by Freemasons in Sheriff's Departments, so it was not new any more to me, Neighborhood watch Groups and your Narcissistic Family Does all of it as well, not new, not special, just as Telepathy and Remote Viewing are Not Special — … ;

AC Generator in Frot Homo Connected to DC Motor, Connected

Minix or Microkernel has an Inferior BSD Liscense, and
The GNU Liscense is Superior to the BSD clause, and
Ext4 will always be better for data centers and servers,
also NAS can be one to one with Read Only SSDS, then run
Tune2fs -O ^read-only ssdext4, fdisk -l is easier to use
than BSD, also sudo psswd root if you have not and close
all of your ports, check with namp -Pn -O localhost, use
Arco Arch Linux and ROFSEXT4SSDS as they are perfect, esp
those Samsung Portable T7 SSDs it just works better than
Flash Drives or Physical Hard Drives and Opticak will
Detiorate over time if it is not on the right material,
so get your st together, use Arco Arch, LUKS, BIOSPW,**
One Core, IME Turned Off, Degoogle your phone, Use ammo
Cans and Faraday Bags, American Locks, Comb Picks, Netguard,
Graphene OS, Alpine Linux, Purism OS, Pine OS, Puppy Linux,
those are what works, sudo passwd root is a must do, nhswap,
SMA0140fabaf4ff4466DNS20867222222144151509536741777095 36,
